Don -

I was given your name by Chamberlain at the LAX Coastal Chamber of Commerce.

My firm has been engaged by the joint venture LA Connex Partners - a consortium of engineers, builders, financiers, and operators - looking to

partner with LAX on the much talked about Automated People Mover project. The JV is made up of [Ferrovial](#) (a leading Spanish infrastructure development firm), [Bechtel](#), John Laing, and [Bombardier](#).

Joyce Sloss (formerly of LAWA) of SCA Strategic Partnership is also part of the team of consultants.

We're looking to introduce the team to as many key stakeholders as possible, both in the impact zone and the region.

Would you be available to meet with us this Monday, Aug 1<sup>st</sup> at 3:30pm? We'd certainly appreciate it.

I am attaching some info on the consortium for your review.

I look forward to hearing from you.

Best,

Jorge Flores
